In no case any part of the purchase be paid direct to the consignor by the purchaser, as such payments will not be valid or entitle the buyer to obtain stock. On final payment for an animal the cashier will issue an order which should be presented by the buyer to the stable manager for the delivery of stock. Buyers are cautioned not to lose these orders, as no stock can be taken from the ground without a release from the cashier. Buyers assume all expenses on animals incurred after they are struck down. Animals will be loaded on cars free; feed will be charged for at actual cost.

Warrants:—Ages, height, marks and other matters of character are approximated by the consignor and are not guaranteed unless expressly so announced from the auctioneer's stand. The consignor is the responsible party for all representations, which we in no way guarantee but will endeavor to have them correct. In case typographical or other errors are discovered, the auctioneer will announce them, and the clerk will make a memorandum of such corrections, which takes precedence over the printed matter in this catalog.

Buyers are, therefore, cautioned to pay attention to the auctioneer's announcements.

Challenges:—If warranty or representation is challenged, the matter must be reported to the managers, who shall have the sole right of appointing who is to make examination in order to determine whether the animal fulfills the conditions of warranty, and the decision of the Referee so appointed, and no other, shall be binding on the consignor and the bidder, and it is agreed that no legal liability shall be incurred by us from either party in consequence of such decision. All warranties must be tested and decided before delivery of the animal is made; the buyer assumes full ownership with all risks and no statement or warranty of seller can afterward be challenged through me.

The Sales Manager is not responsible for any errors, mistakes, guarantees, or omissions in the engagements, pedigrees, or other matter published in this catalog. The consignor is responsible for all such statements.

Bids:—The highest bidder to be the buyer, and if any dispute arises between two or more bidders, the animal in dispute shall immediately be put up again for advance bids. If there be no advance then the animal shall go to the person from whom the auctioneer recognizes the last bid. We act as agents, only, and shall endeavor to protect the interests of both seller and buyer.

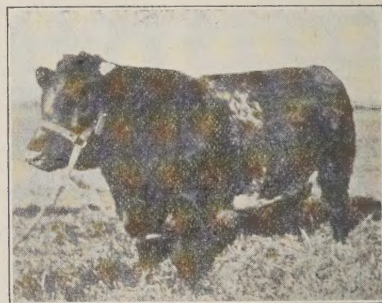

Special Notice:—Purchasers are urgently requested for their own protection to comply strictly with the foregoing, but should they fail to take advantage of the conditions, adopted mainly for their protection, they waive all recourse thereafter.

All buyers must provide themselves with currency or bank exchange. Personal checks cannot be accepted unless purchaser is willing to pay fifty cents to pay for telegram to bank upon which check is drawn. All settlements are made with P. F. Adair, Sales Clerk, who has charge of and will deliver all pedigrees.

FRANK S. KIRK, Sales Manager.
